1935 INTRODUCTIONS AND HONOR ROLL

DAHLIAS

Abbreviations—(F.D.), Formal Decorative; (I.D.), Informal Decorative; (C.), Cactus; (S.C.), Semi Cactus; (S.), Show.

Adirondack Sunset (I. D.) 1935—This aptly named variety has about everything a dahlia can offer: color, form, personality and splendid growing habits. At the New York Botanical Gardens it was the favorite by popular vote this year. The color is a brilliant scarlet red with golden tips, golden blushes on the reverse and a vivid light orange at the base of petals. The center of the flower is tipped golden orange. On honor roll.

Plants \$5.00

Bette Davis (S. C.) 1935—A deep violet rose semi-cactus, a clear, lovely color that never blotches. Fine, long stems with very graceful foliage.

Plants \$5.00

Black Knight (I. D.) 1935—We are unable to find a color in Ridgeway's color chart that matches the color of this giant dahlia. The nearest we can come to it is dark velvety maroon, almost black. The flowers are of great size, often up to 14 inches in diameter, and are held high above the foliage on thick, stiff stems.

Plants \$3.75

Bosphorus—(Inf. Dec.) Deep burnt orange or golden brown. A fine, large, well shaped flower in a color that is new in our experience. It is a dark flower, almost as deep in the orange tone in the body of the flower as maroon is to red, but shades to a lighter orange at the edges of the petals. Certificates of Merit at Storrs.

Plants \$7.50

Buckeye Queen—Our new introduction for 1935 in a clear bright lavender about the same size as Buckeye King.

Plants \$5.00

California Idol (I. D.) 1935—This giant yellow has a coast-to-coast record as a 1934 winner. At the show of the Dahlia Society of California it won the Gold Medal as Best Three-Year-Old Seedling. At Boston it won the Achievement Medal as Best Undisseminated Dahlia. It is one of the outstanding varieties at Storrs this year. It is a fine grower with a deep flower of clear, glistening yellow, a true pastel shade. Here will be a new competitor in the specimen bloom classes. On honor roll.

Plant \$12.50

California Rose—(Inf. Dec.) Clear bright rose. Exquisite coloring, large, tall-growing, describe in a few words the salient features of this unusually satisfactory new dahlia. California Rose is also included in Mr. Hart's 1934 Dahlia Review.

Plants \$7.50

City of Cleveland (I. D.) 1935—A Certificate of Merit winner at Storrs in 1933, bright scarlet splashed with orange. Late in the season the flowers were an intense orange with a slight blush of gold. On honor roll.

Plants \$5.00

Daddy Kemp (I. D.) 1935—This dahlia has been given a thorough test in New Jersey, Michigan, Rhode Island

- and on Long Island and has been outstanding wherever grown. It is a large, deep flower of rich velvet red. Won as best and largest bloom, Red Bank, 1933. On honor roll. **Plants \$5.00**
- Forest Fire (I. D.) 1935—The most different and for that reason the most distinctive of all the novelties. The name is a good description, a brilliant scarlet flame with blushes of yellow. Throughout the flower are yellow petaloids. The effect is striking and spectacular. Stopped the crowds at the New York Show. On the honor roll. **Plants \$5.00**
- Honor Bright (F. D.) 1935—The beauty of this dahlia lies in its unusual color, a coral rose with tints of amber shading to real coral red at the center. Attracted a lot of attention at New York show and won certificate of merit at Storrs Trial Grounds. On roll of honor. **Plants \$3.00**
- Hunt's Velvet Wonder (I. D.) 1935—Another giant of great beauty. At New York it received a special award of Merit. At Camden it won as best Informal Decorative Seedling. Few big flowers keep as good as this one. The color is a rich, bright violet burgundy. On honor roll. **Plants \$7.50**
- Jane Ross (I. D.) (Ross)—Another dahlia from the great midwest, which promises to take its place in the front rank, where beauty, stem and foliage combined with size are the prime requisites of a great dahlia. The color is bright purplish crimson shaded violet and overlaid with a velvety maroon sheen, deepening toward the center of the flower. **Plants \$2.50**
- Kay Francis (S. C.)—A light lemon-yellow. The greatest prize-winning seedling Dahlia for 1934. A good keeper; does not burn. **Plants \$5.00**
- Mrs. George Le Boutellier (I. D.) 1935—A giant flower and the outstanding new red. Watch this when it begins competing with Murphy's Masterpiece and other big reds. It won Certificate of Merit at Storrs Trial Grounds. Early bloomer. Color is a rich, velvety carmine. On honor roll. **Plants \$5.00**
- Rockley Moon (F. D.)—Very impressive with large, broad creamy-yellow petals. A lush grower having clean foliage. **Plants \$5.00**
- Wenoka (F. D.) 1935—Rosy mauve in color, extra long, stiff stems, enormous blooms. Has been successfully grown in 5 locations throughout the country. It has been referred to as the "Large Perfect Dahlia." **Plants \$10.00**
- Zion's Delight—Achievement Medal Winner. The new dahlia for 1935. A many petaled, rich red, informal decorative. Long stiff stems never pendant. Wonderful substance. **Plants \$2.50**
